Commodore's Comments

Wow it's April!

One more month and the docks will to be in the water. With the guidance of Alan Johnson and with the support of all the volunteers the docks are ready to be launched. Without the efforts of the volunteers to maintain and improve our club, this club would not exist. Thank you all!.

Other news DAVID DIAMOND has completed his search for someone to run the Junior Sailing Program. David came up with a wonderful choice for this vital program. Looking within the club membership David found Joe Yorizzo willing to take on the task. Joe is one of our past Commodores., and I think it's a great choice and he will get the sailing school off to a great summer.

Alan Johnson and I spoke to the Bay Constable in regards to expanding our transient mooring field in the future. To better serve our transient customers, we are purchasing three 600 pound moorings for this summer to replace one 500 pound morning and two 300 pound moorings . To .

That's all for now. Enjoy this early spring weather

VICE COMMODORE'S REPORT

I am glad to report to the membership we have successfully negotiated and completed the licensing agreements with both the Stony Brook Sailing and Crew teams. Thank you, John Ciarelli for your time and attention in the final push to get this task done.

Alan Johnson and his work crew have been preparing the docks for their launch for the 2019 season. They are way ahead of schedule and the docks look great. Thanks to all who have worked on this during the winter season. Please see Alan's report in this issue.

Two of our launches are scheduled for hull inspections. Joe Yorizzo has been in contact with the Coast Guard to insure everything is up to standard with Coast Guard regulations. Joe has also worked with Port Jefferson Marine Maintenance over the winter to make sure necessary repairs are done on time for the new season.

Kevin Mularkey has been busy with the house responsibilities. The carpets have not looked so clean since they were first installed in 2013. Kevin also brought in an exterminator to handle a few minor bugs, literally. He has also worked with contractors to repair a leak in our roof.

Keith Puls will be working with the Stony Brook Crew team to handle grounds cleanup. He has also been working on ideas to make the awning on the north side of the sailing school permanent. Looking forward to seeing the new awning in early spring.

Mark your calendars for important dates coming up in our social calendar. Karen Janhsen is bringing back the Spring Brunch. We will also have the Commodore's Cocktail Party and the Commissioning. The bar is also open every Friday night, so come down and enjoy the best view on the harbor as we begin to see boats added to the mooring field.

If you are interested in racing contact our Fleet Captain, David Hubbard. Racing is a great way to learn how to get the most speed from your boat and crew in all types of wind and weather.

We are looking to create a marketing committee. If you have talents in marketing, advertising or social media please reach out to either myself or Joe Yorizzo. We are always looking for new members and we need to reach out to potential members in anyway possible.

See you out on the water.

Karl Janhsen
Vice Commodore.

READY TO RACE?

Dates:

May 21st: 6 PM - Race Committee Meeting

7 PM – Skippers Meeting

May 28th: First Tuesday Night Race! 7PM First Warning!

ALL are welcome to either session! Find out what it's all about! NOR is posted and Registration is open. See club website.

NEEDED!

We need Race Committee Members for Tuesday Evenings. No experience necessary! We will be happy to train you. (It's not that hard!) Drivers for Pintail needed! Spend a few evenings out on the water! Bar may open afterwards! Beer provided if not!

NEEDED!

Pintail cleanup and painting! Contact me if you are available to help. Just a few hours. It's not a race boat, so we don't do a fancy job!

Docks and Floats

Docks are complete and ready for launch on 4/20. April 20 is a rain or shine date and your help is needed. Historically, with enough members, we are done by noon. The crane arrives at 8 a.m. After consultation with JSP and Education, we will have another work party on 4/13 to clean up miscellaneous hardware and to add a 2 x 4 rub rail that will allow the fleet easier tie up of to be more easily tied to the docks during lessons. I have some volunteers that have RSVP but can always use more help. If you can work, please e mail me at alanwilliamjohnson@gmail.com

On a positive note, the docks are in great shape and the upgrades done this spring will give us many years of service.

Alan Johnson, Dir. Docks and Floats

BVI Party

Saturday, February 16 we had a BVI Party at PJYC. We all dressed in tropical attire, and enjoyed music of the tropics. Those of us that had gone to the BVI's told stories of the adventure. I also put together a slideshow of the BVI excursion for club members to enjoy.

Game Night

On March 1 we played a game called Left, Center, Right. I guess your name had to be Alan to win. Lol! Alan Rosenblum, Alan Cooper, and Alan Johnson, won that night's games.

Congratulations!

I would like to thank Dianna Stackow for stepping in for me that night, also thank you to all those that brought down a dish to share. Thank you to the Tell-Tales Bar. Henry Janhsen great job!
