December 2022

## FROM THE EDITOR

December is a special issue. You will find a report on the Annual Meeting, but not all the usual reporting.

Thank you to everyone who submitted pictures and content for Bowspritz in 2022! The content is what makes it great!

### A few notes for the coming year:

- ◆ I want to create a '**Boat Pet**' feature! Possibly a 'Boat Pet of the Month', or maybe a wrap up after the season, like in October's issue. Send me pics of your dog, cat, rabbit, whatever enjoying some boating! Let me know the name, breed (if known!) and gender. Then add any additional info about your pet, or the event (day sail, cruise, fishing, or whatever) the pics are about.
- ◆ **HISTORY!** I have created a club history page on the website. See the 'About' menu for the 'Yacht Club History' entry. If you have anything you can add, please send it to me. Pics (with dates if at all possible), and significant events. It ALSO has links to a 1972 Yearbook (click the cover picture), and a list of Commodores.

Thanks and Happy Holidays!

Dave Hubbard

### REAR COMMODORE

Thank you to the Board, Nominating committee and members for asking me to serve as rear commodore. I am already finding out a lot of all the things that go on behind the scenes to keep our club running smoothly. I plan to continue my duties as cruising director. Last season we had great participation in the cruising program. I have already started to think about the upcoming season. Watch for emails on cruising meetings in the coming weeks.

### DOCKS & FLOATS

This is just a short report. Since the annual meeting, the Town of Brookhaven has responded to us with a proposal to revise our license (lease) to add the underwater land (60' X 150') we would like to expand our marina. We are reviewing their proposal. Also, please put March 4, 2023 on your calendar as the first docks work party.

(See next pages for a description of proposed dock changes)

## DOCKS & FLOATS

I would also like to explain how this all started. We knew we were restrained by our existing license from expanding but we saw Danford's was able to expand. At this years commissioning I happened to find myself sitting at the same table as Jonathan Kornreich our Councilman and I asked him how to start the process of adding additional underwater land to our lease. His response was you start with me and to send him the information. I had existing surveys and sent it out with a description of what I would like. This information was forwarded to Barbara Wiplush, Asst. Town Attorney and then forwarded on to the Town appraiser. He asked for a current survey with the additional land marked as proposed Parcel D. Since we had already approved an as built survey, I had the surveyors add this new information to the survey. It is now in the hands of the Town appraiser and the Law Department. Without the additional land we could do a modest slip increase off the East dock, but it will be a patch job and in my opinion not in our long term best interests of the club and only yield eight additional slips.

## FLEET CAPTAIN

Just a summary of my report from the annual meeting:

We had 18 boats compete in all our various races this year which is a slightly above average turnout which I hope continues. This means that somewhere around 80 people participated!

In 2023 I am looking to expand the race course 'Olympic Circle' to make it wider which helps the spinnaker boats a lot. Also, we are investigating sharing the course with the Mount Sinai Sailing Association, which could save some cost.

The other item for 2023 will be to see if we can make the 'Harbor Cup Regatta' a charity event, possibly for our own 'Village Cup'.

Have a great off season!

Happy Holidays to all,

Dave
