November 2021

FROM THE HELM

Hello members and friends of the PJYC Bowspritz. This will be my last message and report as your Commodore. The year seemed to go by quickly. I have to say that without our strong PJYC Board of Governors this year would have not gone as well as it did. So many projects were completed at the waterfront and the club house. I cannot remember having so many well attended and fun events in a season. The Commodore's Lobster and Clam Bake was brought back, and the membership cannot stop talking about it. Between the busy bar and live bands, the PJYC Membership has shown we all know how to have a fun time for sure!

The PJYC is not just a place to park the car and jump on your boat. But a place to enjoy your fellow boater and this fantastic location on the southeast shore of Port Jefferson Harbor. We started the year with a count of ninety-four members.

We end November with one hundred & twelve. Make that one hundred & thirteen since the BOG just approved Barbara Gottfried and Sam Aronson as full launch members last night. WELCOME to the Port Jefferson Yacht Club folks!

Today the crane lifted the PJYC Docks from the waters of the harbor front. More details will follow in Alan Johnson's report. The day could not have been any better. Although this morning was the first frost of the fall the temperatures warmed up and an exceptionally light breeze from the north assisted the many helping members as they pushed and pulled the floating docks into position for the crane to haul them up and over the dock house. Thank you to all that showed up and made this another successful and safe removal of our dock system.

BOARD REPORTS

UPDATES FROM THE OFFICERS AND DIRECTORS

FROM THE HELM

(CONTINUED)

You all should have received the 2022 Slate of Officers for the Board of Directors. Thanks to the Nominating Committee for their work and the new members to the board that have offered their time to make our club stronger in the coming year. I am confident that this team will continue to make strides that brought us a momentous year in 2021. The Annual meeting will be at the club house on Sunday December 5th at 1:00PM. We hope to see a good turnout and if you cannot attend, please provide your proxy vote to a fellow member or board member.

In closing Chrissy and I would like to thank you all for a wonderful and fun year. I thank you for providing me the opportunity to serve as your 2021 Commodore. As I said in the past following in my fathers' footsteps was a true honor and I know his hand was on my shoulder. Thank you again to my Board of Directors, you all made this year a great one. We all are looking forward to 2022 and all the projects and improvements that are slated for this coming year.

Best,

Jeffrey W. Hausner

Commodore 2021

BOARD REPORTS

UPDATES FROM THE OFFICERS AND DIRECTORS

DOCKS & FLOATS

I write this at the end of an exhausting day. All docks have been taken out and are winter stored. The list for repairs has already started but we will have a much shorter list than last year. We started this season with 17 floating docks, the most we have ever had and finished with 20 floating docks. Historically, we have been able to finish the launch and retrieval of the docks in 4 hours. With the three extra docks, it took an additional one half hour and we will be able to improve on that after we rebuild the three new to us docks and equip them with lifting eyes. We continue to improve the docks with the hope of minimizing the time required to safely launch and retrieve the docks and I think we have done a wonderful job. The turnout from the membership has been outstanding with many members putting in many, many hours over the minimum and I thank you sincerely and seeing new members their was a treat. We would not have the equipment we have now without your dedication.

If all goes well, we will have many more docks and opportunities next year with the finger piers and added electric. The docks have been laid out so that we can do all of the electric cabling and new electric stanchions while the docks are on the hard except for ONE dock that will have to be done in the water and rebuild the three new to us docks.

Alan Johnson

GROUNDINGS

I just completed what may be the last tasks I had for myself, for the club property this year. I was down at the club on this past Monday (after Halloween); the day was a good day for sailing. The sky was clear and the wind was brisk. Sadly the harbor was emptying of boats and the mooring field had only a fraction of the fleet that is there in high season. Looking at the harbor and into the sound, the absence of boats made the water seem almost overwhelming. Without their presence, it expanded the line of sight. I had a parallel experience of the club grounds. A couple of cars and one boat on a trailer. All I saw was grounds work to be done...overwhelming.

Not to overstate the concept, as a home owner and hence the property manager, there is always something to be done. As a sole observer it can be overwhelming, but with the help of other members, a couple of hours here and there, shrinks the tasks. So to reduce that feeling of being overwhelmed, an hour or two of weeding and trimming in the upper lot, along the fence line could satisfy work hour needs. Weeding in the lower lot is also available especially along the area around the dock house. Either task can be done with a weed whacker.

Contact me if you need more info or
contact me if you put in hours.

Mitch Slochower

mslochowerlcswh@gmail.com

WORK HOURS

This is a **new section** this month highlighting available work hours. Did you know you can get \$50/hr off your membership fee? Just volunteer to help out around the club with work hours. Up to 10 hours for full members, and 2 hours for small vessel members. So, most of you can save between \$100 and \$500 per year! These events often become enjoyable social events as well!

Task	Hours	Contact
Weeding/Weed whacking Upper Lot along fence.	About 2	Mitch Slochower
Weeding/Weed whacking Lower Lot Dock House.	1 to 2	Mitch Slochower
Clean House Carpet as needed	About 2	Kevin Broderick
Clean House Sliding Doors as needed	About 2	Kevin Broderick
Clean House Fridge once a month	1 per month	Kevin Broderick
Clean patio furniture. Weekly when pollen is fall- ing.	1 per week	Kevin Broderick
Put patio furniture away.	2 hrs each for 2 people.	Kevin Broderick

WORK HOURS

Task	Hours	Contact
Prep for Parties	1 hr per party	Laurina Nielsen
BBQs Cleaned as needed	1 hr	Kevin Broderick

RACING

The racing season is over, and we are turning our attention to the ‘off season’ tasks, like sail maintenance, and dreaming of what new gear we want for next year!

In the mean time, here are a few videos of the season. Click the links:

Harbor Cup:

<http://DaveHub.quickconnect.to/vs/sharing/BVJHhMQv#!aG9tZV92aWRlby0xOA==>

2021 Miscellaneous Clips:

<http://DaveHub.quickconnect.to/vs/sharing/BVJHhMQv#!aG9tZV92aWRlby0yNQ==>

Thanks to Laurina (and perhaps others!) for some of the video.

Enjoy!

Dave Hubbard
Fleet Captain

SOCIAL!

Social Words

Recapping the year this is how the social calendar went:

February 7th Super Bowl gathering

March 13th St Patrick's day gathering

April 24th Commodores Cocktail Party

May 23rd Commissioning

June 4 and 5th Fishing Tournament

June 18th New Member Night

June 19th Harbor Cup

June Ice Cream Social for sailing school instructors and students and families

July 4th BBQ on the Deck

July 24th Cruise to Nowhere (Flax Pond) and Music on the deck in the evening by Gary Passavia

August 13th Bingo Night

August 21st Chick and Friends music

October 9th Lobster Bake and Music on the Deck by Chick and Friends

October 30th Night at the Races

So there has been some social event almost every month with some month's multiple events.

The last event was the Night at the Races which was attended by about 25 members it was fun and there is talk that we will run another one sometime in April next year.

Plans are in the making for Holiday Party, a watercolor painting gathering, and a Murder Mystery evening as winter approaches.

Stay Tuned!
