

2018 Racing Program Recap

We had a great season this year! The wind largely cooperated, with only one race cancelled. And one moved to extend the season, both due to too much wind! (Squalls)

We had 12 boats in the non-Spinnaker division, and 3 in the Spinnaker division.

Many skippers refined their skills this year, with some very close racing. And of course, fun all around!

We also had another good Harbor Cup with Sean Heffernan putting it together, and managed to have a 'Ladies Day Race' with 3 boats out in rolling waves.

I'd especially like to thank the folks who supported us on Pintail, our Race Committee Boat! Particularly:

Our regular crew of Laurina Nielsen, Charlie Masone, and Vicki LaRossa

Also, the always reliable Vic Suben and John Lane who covered many a short-handed crew.

Plus, several of you who filled in to keep us staffed up! David Diamond, Chris Sheehey, Rich Spitzenberger, and our launch driver Billy Spitz and friends. If I forgot anyone else I apologize! Let me know to get credit!

Next year, let's see if we can get some more spin boats out there, and we'd like to see more ladies at the helm for the Ladies Day race!

And, talk up the racing in the off-season! Let's get some more boats out there! AND some more committee folks for Pintail!
