

PORT JEFFERSON

Our Village & Our Harbor

- Last deep water harbor on Long Island Sound as you head east
- Central location on Long Island Sound
- Thriving seaside Village with shopping, boutiques, art galleries, fabulous restaurants and great ice cream!

"I love that PJYC is located in the most desirable deep water port on Long Island with an unusually long free launch service to your boat. At PJYC we believe neither time nor tide should keep you from your boat!"

CC, Harvest Moon, Catalina 445

"Over the years Judy and I have developed lifelong friendships and we have come to regard the yacht club as our home away from home and the members as an extended family."

VS, Surprise, Catalina 34

"I love keeping my sailboat in the PJ Harbor with the PJYC. In my mind, I start a mini-vacation every time I head to the harbor."

KK, Whimsy, Dolphin 24

"I joined less than two years ago because it was a very friendly and welcoming club, and the best harbor on Long Island Sound!"

DH, Clara J, Herreshoff "S" Boat

I have made lifelong friends who I would not have met if I did not join PJYC. I have become a better sailor in getting to know fellow members and sailing enthusiasts!

KJ, Bluemoon, Pearson Rhodes 41
